ALLIED HEALTH
RECRUITMENT SPECIALISTS

PREPARED BY | DIRECTORS CLARE JONES (B OCC THY) + DANIELLE WEEDON (B. PHYSIO)

About Us

MediRecruit provides a specialist healthcare recruitment and career advisory service for Allied Health professionals in Australia, New Zealand, and the United Kingdom. Established in 2001, Founders and Directors Danielle Weedon, Physiotherapist, and Clare Jones, Occupational Therapist, have spent over 20 years devoted to understanding what their candidates want from their careers, and what their clients require for their businesses.

Our dynamic team of recruiters have backgrounds in healthcare and are passionate about sharing their expertise when it comes to advising other healthcare professionals. With over 20 years of local and international Allied Health and Healthcare recruitment experience, MediRecruit's network in Allied Health is extensive, unrivalled and deeply respected.

Recruitment Specialists

MediRecruit provides a specialist healthcare recruitment and career advisory service for allied health professionals in Australia, New Zealand, and the United Kingdom. Established in 2001, Founders and Directors Danielle Weedon, Physiotherapist and Clare Jones, Occupational Therapist, have spent over 20 years devoted to understanding what their candidates want from their careers.

MediRecruit provides a specialist recruitment service to various sectors including Allied Health, Workplace Health and Injury Prevention, Healthcare Sales, Occupational Rehab and Medicine. Their dynamic team of recruiters can help you navigate your professional pathway and provide you with expert career advice, as well as diverse job opportunities to suit your skillset and interests.

Benefits of choosing MediRecruit

- Our team of recruiters have backgrounds in healthcare and know the market better than anyone
- Our in-depth knowledge of company cultures and market salaries is essential to determine your ideal employer and your value in today's job market
- We work closely with you to clarify your career goals
- We have access to unadvertised jobs
- In such a small industry, we understand that confidentiality is crucial

Work in the UK

When it comes to preparing to work in the UK as a health professional, there isn't much MediRecruit Directors Danielle Weedon (B. Physio), and Clare Jones (B Occ Thy) don't know! Both have worked as a Physiotherapist and Occupational Therapist in the UK and have a unique understanding of the planning required. They personally understand the excitement and questions that health professionals have when starting to plan their journey to work in the UK.

MediRecruit is a proud partner of one of the UK's leading healthcare recruitment providers, helping therapists secure locum and permanent work abroad.

What will MediRecruit help with?

- HCPC/ NMC Registration
- Compliance requirements for work in the NHS
- Obtaining visas
- Finding accommodation
- Setting up a travel money card
- Sourcing a variety of locum jobs across various specialties and locations
